Important Course Notes

- Course Material fees are not refundable.
- Tuition fees are not refundable except when a course is cancelled by Maths Unlimited SuperCourses.
- A student is liable to pay for the total duration of the course including periods of absence.
- School fee payments do not include examination fees. Exam registration is separate from class registration.
- It is the responsibility of the student to ensure that he/she is properly registered for the examinations.
- Classes can be cancelled, merged or class times changed with short notice.
- Classes may run through traditional school holidays and public holidays due to natural disasters or any other unforeseen circumstances.
- To start a class, the first agreed payment must be made. Students have the option of paying school fees either: (1) In full: for the entire course duration or (2) Monthly: pay all material fees and monthly installments. (3) Fortnightly: pay for all material fees and then pay fortnightly installments (4) Weekly: pay all material fees and then pay weekly installments. For all payment options except option one (1) you are required to sign a payment agreement.
- It is the responsibility of the student to keep informed about all important events and matters (example: exam details, extra class details, etc.) by reading all notices on the main bulletin areas, in the class rooms and in the **MU Vibes** (the weekly Student Newsletter).
- The school's official means of communication is email, however other means of communication may be used. Students are expected to check their emails and respond when appropriate.
- Selected classes may be recorded. The video recordings will be for educational purposes. The recording of the selected classes is the sole property of Maths Unlimited.
- Inadvertently the students' voices or motion may be recorded.
- School Based Assessment (SBA) projects are a part of the examination process for the following subjects:
 - Biology Unit 1 & Unit 2
 - Chemistry Unit 1 & Unit 2
 - Physics Unit 1 & Unit 2
 - Information Technology Unit 1
 - Computer Science Unit 1 & Unit 2

The IA project must be completed by all candidates wishing to sit the May/June 2018 examinations for the above mentioned subjects. Candidates who do not submit an IA will automatically be awarded an 'UNGRADED' result for the subject, even if they sit all examinations for that subject.
